Aladdin Connect – Homework

Many thanks to all those who took part in our poll last week. This feedback is welcome and helpful in guiding teachers to try and find the right balance of work going forward.

As you are most likely aware, there is an additional homework feature in our Aladdin Connect App allowing parents to send homework answers. This allows teachers to receive and correct homework and also gives them an opportunity to give feedback to your child if necessary. Should you need instructions on how to return homework, please click here to view [Connect Homework Parent User Guide](#), or to view the video click [here](#).

The new feature allows teachers to schedule homework on the correct day, while also allowing those of you who need it to see the homework a day in advance. The changeover day on Aladdin Connect takes place at 3pm on Sundays. Therefore Monday's homework will be available to view from 3pm on Sundays. You may also view homework that was assigned in the past - up to 14 days.

BOM Agreed Report

The latest Board of Management Agreed Report will be emailed to you later today.

Reminders

If you are spring cleaning, the school will gratefully accept '*as good as new*' books for our Library once St. Mochta's NS is open again.

Resources during Covid 19
